2. The minimum wage for every female employee of any age in the telephone and telegraph occupation, not included in any other Order of the Board, shall be:—

- (a.) One dollar and fifty cents (\$1.50) per day during her first three weeks' employment in the industry as a learner.
- (b.) Two dollars and ten cents (\$2.10) per day during her following month's employment in the industry.

3. That the minimum wage for employees who do not work full time shall be prorated on the basis of the number of hours worked per day at the rates specified in section 2 hereof.

4. That every employee required to report for work shall be paid not less than an amount equal to three (3) hours at her regular rate of pay for each day she so reports for work, except as provided in section 6 hereof.

5. That except as provided in sections 6, 7, and 9 hereof no employee in the telephone and telegraph occupation shall be employed for a greater number of hours than:—
